Junior Drama: *The Rainbow*

We can see the rainbow up in the sky after a

shower of rain - a spectacular band of seven colors stretching across magnificently. But did the seven colors all agree at first to be together or was it a different story altogether? Let's find out from our play "THE RAINBOW", (adapted from kidsinco).

Direction and Choreography:

Senior Drama: *I AM Who I Am*

Rufus is a guy who can't get a break in life. He's an aspiring actor with lots of passion in all things that is performing. Unfortunately, no matter how hard he tries, he always gets turned down for all speaking roles at auditions for the reason that he was born with a stutter. Will he ever get a speaking role in any performance he auditions for? When will he get his first breakthrough role? More importantly, how will he get his first break?
